the 1990s, the number of people in the world who are undernourished has increased from 250 million to 800 million (FAO 1996).

There are a number of reasons for this increase. First, the world population has increased from 5 billion in 1987 to 6 billion in 1996, and is projected to reach 8 billion by the year 2025 (FAO 1996). Second, the world population is becoming increasingly urbanized, and this has led to a greater demand for food. Third, the world population is becoming increasingly aged, and this has led to a greater demand for food. Fourth, the world population is becoming increasingly mobile, and this has led to a greater demand for food. Fifth, the world population is becoming increasingly educated, and this has led to a greater demand for food.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999).

There is a growing awareness of the need to address the needs of people with mental health problems. The Department of Health (1999) has set out a vision for the future of mental health care, which includes a commitment to 'improving the lives of people with mental health problems'. This vision is based on the principles of recovery, which focuses on the individual's strengths and abilities, rather than their diagnosis. Recovery is a process, and it is not always linear. It is a journey that involves working with the individual to develop a plan that meets their needs and goals.

FOREWORD

---

The aim of the staff of 1931 is to broadcast the many activities of our school life to all its friends and benefactors. We are sending out these flashes, in order to broadcast the life and character of our school in a way that will promote better friendships with a new progressive spirit.

We extend our sincere gratitude to all the students and friends, who have helped in any way, toward making this annual a success.

If our broadcasting of school life has succeeded in promoting these new understandings, we will sign off at the end of this book, with the knowledge of having done our work well.

## DEDICATION

---

We, the staff of 1931, dedicate this third edition of the "Mirror" to Mrs. D. V. Swanson, who has endeavored to make this book a success, by cooperating so willingly with the student body in all their trials and hardships, but finally bringing us through with a smile of success; and to all the mothers and fathers who have made it possible for us to receive the proper training and education in this modern building of ours.

## Seniors of '31 Starring in "Their High School Career"

### Scene I.

*Setting*—Harding High School.

*Time*—September, 1927.

*Enter*—A group of nineteen freshmen, neither frightened nor green—really so self-confident no one attempted to initiate them. They started their high school career in the new Harding High School. They began to show their ability along the lines of mathematics, English, science and history.

### Scene II.

*Setting*—Same.

*Time*—One year later.

*Enter*—A group of sophomores with a few changes. Four of the familiar faces are absent, but two new ones have appeared on the scene. Everything had begun working smoothly when fire swept across the scene. Due to the untiring efforts of school authorities, four portable buildings were erected within two weeks' time and the pupils were able to resume their class work. Although greatly handicapped, they were able to complete the year's work satisfactorily.

### Scene III.

*Setting*—New Ross Township High School.

*Time*—Another year later.

*Enter*—Fifteen jolly juniors bent upon having a profitable and enjoyable year. They continued their studies, some elected the science course, and others the commercial course. They showed their dramatic talent by staging an excellent play, "Cyclone Sally". They gave a banquet to the seniors which ordained their reputation as entertainers.

### Scene IV.

*Setting*—Dear Old M. H. S.

*Time*—Four years have passed. It is now 1931.

*Enter*—Fifteen dignified seniors. Three members of the class left at the end of the first semester leaving twelve to carry on. They staged another successful play, "Dodging Marriage". They made their last appearance on commencement night, when, as a reward for four years' work, they received their diplomas from the Merrillville High School.

## TO THE SENIORS

---

Oh year of years! The Senior year!  
Graduation day is drawing near,  
The day when from old Merrillville High  
You must depart with many a sigh.

Soon now will come the closing scene  
Of all your High School's pleasant dream.  
In days to come you'll backward gaze,  
And think of the good old High School days.

Oh year of years! The crowning year!  
The last you'll spend in our High School dear.  
So make the most of each glad day  
To make your work and efforts pay.

Four busy years you here have worked,  
And seldom any duties shirked.  
May this ambition still be yours,  
Whatever Fortune o'er you pours.

When you leave here to enter life's school,  
Remember to follow the Golden Rule.  
What measure you mete with tongue or pen,  
It will be measured to you again.

Oh Seniors, soon the day will dawn,  
When you shall join the mighty throng  
Who labor in their chosen field,  
And to defeat will never yield.

So when life's battle you've begun,  
And you see victory's nearly won,  
Keep up your courage, set your sails  
For perseverance never fails.

*Motto*—Learn as if you live forever, live as if you die tomorrow.

Having come thus far in our high school life, we anxiously look forward to the thought of becoming seniors in such a short time.

There were twenty-five members in our class at the beginning of the school year, but only twenty-three remain, one having dropped out at the middle of the term, and one having moved to a different locality. We have one girl and two boys on the basketball squads, and one of our members holds the position of official yell leader.

Our boys' basketball team with the help of the senior boys won more games than any other class team. Mr. Lemmel presented the junior and senior team with a trophy before the student body.

We have worked hard throughout the year for the purpose of earning money for the Junior-Senior Reception. We have sold candy at the basketball games which were played at home. Our class also gave a dance in the gymnasium, April 21. We helped sell tickets for a moving picture show which was given in the gymnasium. The Junior-Senior Banquet was given in the gymnasium, May 2, and we hope the seniors enjoyed it as much as we enjoyed giving it.

#### JUNIOR CLASS HISTORY—Continued

We gave a class program which was made up of a dramatized Mother Goose Rhyme, selections by the class quartette and a radio feature. We students of the Health Club, together with a few of the seniors, joined in a party at Christmas time and exchanged gifts which were presented by Santa Claus.

Having prepared ourselves for our next year, as seniors, we hope that we have earned our merits in the preceding three years of our high school life.

We began our exploration in the "Land of Knowledge" as freshmen, and now that we have come to the second stage of our journey, we rightly feel that we have discovered something of worth to us.

Our class has twenty-nine members, all willing to go on. We feel proud of every one of them. Five boys and one girl have made the basketball squads and our class teams have made a record to be proud of. Our girls' team tied with the freshmen girls for the championship. Another game was played in order to determine the winner. We won this game and a trophy was presented to our team by Mrs. Lemmel.

During the course of the school year we presented a class program which was a success. It consisted of a five-act play with much humor; two songs which were sung and acted out by six girls; and a short dialogue, which showed the hardships of a foreigner learning the English language.

We also have had our annual class parties. Our first party was given by the girls, somewhat in the form of a box social which was enjoyed by everyone. Toward the close of the school year the boys gave the girls of the class a party which also was enjoyed.

#### SOPHOMORE CLASS HISTORY—Continued

Two members of our class were chosen for the Annual staff. The art work for the Annual was done by one of our members.

Now having completed one-half of our high school education, we are hoping that our last two years may be as enjoyable as the first two.

We, who have just begun our life as high school students, have before us the task of proving ourselves worthy of mastering that which lies before us. At the beginning of the term we were initiated thoroughly into the ranks of freshmen by the sophomore class. At this time the high school was present.

Our class began with an enrollment of thirty-eight members. Since then one has left the ranks of being a freshman, and two have moved out of this school district. We have one boy and three girls on the basketball squads and they are to be given credit for what they have accomplished in their first year of high school athletics. Two members of our class were chosen to enter the sectional mathematics contest at Gary.

During the year we had several parties, one at the beginning of the school year and one later. We also gave a class program, which was made up of acrobatic stunts, negro dialogue, kitchen orchestra, piano and violin solos, vocal selection, and also a few other selections. It was a success and provided sufficient entertainment which pleased everyone.

## ATHLETICS

## BOYS' BASKETBALL

### MR. KENNETH HAUK

Mr. Hauk has coached basketball, baseball, and track in this school for three years. He came from Central Normal, where he received his training. His basketball and baseball teams have won more games this year than in previous years. Mr. Hauk resigned his position here the first part of March.

### GENERAL HISTORY OF BASKETBALL

When Mr. Hauk sent out the call for basketball players the first of October, about twenty able bodied boys responded. After a month of hard practice on basketball tactics, our team with Elwood Hoepfner as captain opened their season by playing Valparaiso's B squad, who defeated us. The next two games were won from Dyer and Griffith. Then followed three successive defeats, the victors being Calumet, Crisman, and Valparaiso. Our team won the next game from East Gary, but were defeated in the two following games by Liberty and Washington.

The most exciting game of the season was the one played with Dyer which ended in a tie. Another game was played at a later date and our boys were victorious. Our team gained another victory from East Gary, but were defeated by Crisman, Calumet, Liberty, Wheeler, and Griffith. The last game of the year was won from Washington Township.

### ATHLETIC ASSOCIATION

The Athletic Association is made up of almost all of the students of the high school and junior high school. The dues of this organization are used to buy athletic equipment for the use of all students. Officers of this organization are Wilbur Woods, president; Alice Weller, vice-president; and Fred Fagen, secretary and treasurer.

*Row two*—Raymond Kitchel, forward; Leonard Meyer, Glenn Giertz, Kenneth Bullock, Milton Shults, substitutes.

*Row one*—Richard Hacker, Clifford Sader, center; Elwood Hoepner, back guard; Stanley White, floor guard; Fred Fagen, forward; Mr. Hauk, coach.

## GIRLS' BASKETBALL

### ETHEL LEMMEL

This is Mrs. Lemmel's first year as coach of girls' basketball. She came from Indiana University and much credit is due her for her patience and perseverance in training the girls in basketball tactics. The girls have enjoyed playing basketball under the direction of Mrs. Lemmel.

### GENERAL HISTORY OF BASKETBALL

Our girls have made a good showing throughout the year. They have won eleven games and lost five. During this year M. H. S. girls have scored 378 points against their opponents' 283.

More than enough girls for two teams reported for the first practice in October. After a month's practice, Merrillville girls opened the season by defeating Dyer's team on their own floor. The next game was lost to Griffith and the next won from Crisman. Calumet won the next game. Then came five successive victories from East Gary, Liberty, Washington Township, Dyer, and East Gary. Due to unlucky breaks three more defeats were listed against us, the victors being Calumet, Crisman, and Griffith. Games were won from Liberty, Wheeler, and Washington Township.

### CHEER LEADERS

Every team must be supplied with pep which puts the fight into players and forces them to go the limit of their strength. This is the task of the cheer leaders. Those who helped the players to be victorious were Milton Guernsey and John Forney.

*Row two*—Virginia Halsted, side center; Mildred Kuehl, center; Magdalene Snyder, forward; Mrs. Lemmel, coach; Alice Weller, forward; Guinevere Forney, guard.

*Row one*—Carmen Pierce, Mildred Franz, substitutes; Mabel Walker, guard; Alsie Burge, Ruth Woods, substitutes.

## SCHOOL SONG

---

Joyous and ever loyal  
Let us boost for our old High!  
Let every heart sing  
Let every voice ring  
There's no time to grieve or sigh  
It's ever onward, our course pursuing,  
May defeat ne'er our ardor cool,  
But united we will boost  
For her our old High School!

## SCHOOL YELLS

Yea purple!  
Yea white!  
Yea team!  
Let's fight!

A bottle of milk!  
A big banana!  
We're from  
Merrillville Indiana!

Strawberry short cake!  
Huckleberry pie!  
V-I-C-T-O-R-Y!  
We will win it!  
Well I guess!  
Merrillville! Merrillville!  
Yes! Yes! Yes!

Your pep, your pep  
You got it, now keep it  
Doggone it don't lose it.  
Your pep (Repeat)

Hit 'em high!  
Hit 'em low!  
Yea pirates!  
Let's go!

You can beat carpets!  
You can beat cream!  
But you can't beat Merrillville's

## THE STUDENT COUNCIL

### OFFICERS

Georgia Gebhardt	President
Elwood Hoepner	Vice-President
June Fowler	Secretary-Treasurer

Our student council is composed of the secretary of each class in the high school and the high school principal. Since we operate upon the six-six plan of organization, there are seven members.

Its purpose is to give the student body a voice in the control of school affairs and is therefore advisory rather than executive in nature.

Such organizations as clubs, class parties, dances, and other student activities often are given permission to operate under the jurisdiction of the school.

*Row two*—Alma Christianson, Snap Shot Editor; Mabel Sader, Literary Editor; Melvin Lobdell, Art Editor; Vincent Gerlach, Joke Editor; Elise Stark, Dramatics Editor; Alvera Waltz, Athletic Editor.

*Row one*—Ruth Peterson, Typist; Georgia Gebhardt, Editor-in-Chief; Magdalene Snyder, Associate Editor; Guinevere Forney, Business Manager; Mildred Kuehl, Assistant Business Manager; Mrs. Swanson, Sponsor.

## ANNUAL STAFF

The annual, to many, means only a great expenditure of time and money, but to those who directly are concerned in its making, it brings much joy and a great amount of experience.

It provides not only individual tasks for each of the staff members, but it opens to them new channels in educational pursuits. They come in contact for the first time with men of the business world in a business way and thus learn that the tasks of life demand untiring efforts and a great amount of enthusiasm.

The annual staff is selected carefully on the basis of their ability, because this type of work requires skill in organization as well as literary ability.

*Row two—Mrs. Brittan, Mr. Houchin.*

*Row one—Helen Beach, Alice Weller, Ruth Crisman, William Snyder, Evelyn Mae Cole, Rheinhard Harms, Helen Huff, Ellen Boyd, Norma Lindborg, Allene Frame, Marjorie Windbigler, Viola Roberts, Mildred Kuehl.*

## ORCHESTRA

---

Our orchestra began this year with only a few members under the direction of Mrs. Brittan, who has led us with much patience. During the year the membership of the orchestra has increased.

Our first program was given before the high school one Friday afternoon. We have played on the community meeting programs at two different occasions. A few members of the Crown Point high school orchestra assisted us with the first of these programs. We also played several numbers on the farmer's institute program. Various members of our orchestra have appeared on other programs throughout the year.

Our orchestra consists of four clarinets, one cornet, two saxophones, one E-flat bass horn, one drum, four violins, and two pianists. We hope more students will join the orchestra next year.

## THE JUNIOR HEALTH CLUB

### OFFICERS

Evelyn Mae Cole	<i>President</i>
Edith Saxton	<i>Vice-President</i>
Bernice Koch	<i>Secretary-Treasurer</i>
Mr. Hauk	<i>Sponsor</i>

The Junior Health Club of the Merrillville High School organized November 15, 1930 is composed of members of the junior and senior classes. The purpose of this club is to study and promote health in this community.

On December 23, a Christmas party was given by this organization. The climax of the party was an unexpected visit from Santa Claus who distributed gifts to all members present.

The club, as yet, has not attempted any definite work in the community, but it has an extensive program planned for next year.

Mildred Kuehl, Ruth Crisman, Alice Weller, Fred Fagan, Glenn Giertz, Ruth Peterson, Wilbur Woods, Delbert Guernsey, Georgia Gebhardt, Mr. Lemmel, Magdalene Snyder, Guinevere Forney.

## DODGING MARRIAGE

### CAST

Jimmy Brown, in love with Mary Davis	Fred Fagan
Mrs. Bedell, Jimmy's Aunt	Georgia Gebhardt
Sydney Smith, Jimmy's best friend	Wilbur Woods
Mary Davis, Jimmy's sweetheart	Alice Weller
Margaret, Sydney's girl	Ruth Peterson

Mr. Lemmel—Can anyone see the reason why they didn't have any divorces in that city.

Gerald Bowman—Probably none of the people were married.

\* \* \*

Miss Wood—How can you explain the fact that the woman in this story used to be a mermaid?

Mildred Franz—That sounds fishy.

\* \* \*

Norman Cole—I hear your brother isn't on the football team any more.

Ruddy Kaiser—No, they kicked him off.

Norman—Why did they do that?

Ruddy—They told him to tackle the dummy and he tackled the coach.

\* \* \*

Alice Weller calls her boy friend maple sugar because he's such a refined sap.

\* \* \*

Miss Wood—The magician in this story changes a bump into a loaf of bread.

John Gruel—It must have been "Wonder Bread".

\* \* \*

A lady motorist was driving along a country road when she spied a couple of repairmen climbing telephone poles. "Fools!" she exclaimed to her companion, "They must think I never drove a car before."

\* \* \*

Teacher—Now children what was the former ruler of Russia called?

Children—Czar.

Teacher—Correct and now what was his wife called?

Class—Czarina.

Teacher—Very good, now who can tell me what their children were called?

Happy—Czardines.

\* \* \*

Mrs. Swanson, trying to explain a geometry problem written on the board—Now children watch the blackboard closely and I will go through it again.
